PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Three Of State's Most Able Judges Ask Renomination

Florida has many circuit judges of distinction and the Fifteenth Judicial Circuit (Palm Beach and Broward Counties) is particularly fortunate in having three of the outstanding judges of the state. Through the years they have served this circuit they have won state-wide fame for their fairness in handing down decisions.

Judges Chillingworth, White and Tedder make up the trio who serve the two great counties of Palm Beach and Broward. This week they jointly announced their candidacies for renomination and it goes without saying that they will be renominated without opposition. Their years of experience in office have made them three of the state's most able jurists and their abilities are fully appreciated by the electorate.

Judge C. E. Chillingworth and Judge Joseph S. White of West Palm Beach and Judge George W. Tedder of Fort Lauderdale make up the Fifteenth District's group of most able and efficient jurists. All will run in both Palm Beach and Broward counties, which compose the 15th judicial circuit.

Judge Chillingworth gave out this statement as spokesman for all three:

"We announce our candidacy for renomination in the Democratic primary as circuit judges for Palm Beach and Broward counties.

"Our pledge to the people of this circuit is a continued active co-operation with the members of the bar, the officers of the court and those who have business before the court to the end that justice shall be administered fairly, efficiently and courteously."

All three candidates are veteran public officers.

Judge Chillingworth has been on the circuit court bench since 1923 with time out to serve in World War I. He is a former county judge. He is a former county judge.

Judge Tedder, serving in his present capacity since 1929, also is a former county judge.

Judge White is a former state attorney and for years was engaged in practice of law here. He has been a circuit judge since 1913.

Engineer Named To Inspect Building

At a meeting of the Pahokee City Council Tuesday night Wiley Gillespie of Jacksonville, member of the waterworks engineering firm of Smith and Gillespie which drew the plans for the city's \$285,000 waterworks expansion program, volunteered to serve as inspection engineer on the project until all foundation for the new tanks are completed.

The resignation of Kenneth Mock as city building inspector was accepted by the council at the meeting.

Mr. and Mrs. Joe Hatton, Sr., had as guests the past week his brother and sister-in-law, Mr. and Mrs. Robert Hatton and children of West Palm Beach.

Hospital Allowance For Glades Raised

Allowance for charity hospitalization for the Western Palm Beach County Public Hospital Board was increased \$200 per month by the County Commission at its meeting Monday. The board operates the Pahokee Hospital and the Belle Glade hospital. The action was taken on a motion by Commissioner Paul Rardin who explained that the increase was necessary because of the fact that the county has "inherited" many charity cases since the Migratory Hospital ceased operation at Belle Glade.

The increase now makes the county's contribution to the Western Palm Beach County Hospital Board \$800 a month, Rardin said.

Football Squads Are Guests Of Lions

The 1947 football squads for Pahokee and Belle Glade High Schools were entertained at a barbecue on the Elks grounds in Pahokee on Wednesday night of last week with members of the Lions Club of Pahokee and Belle Glade jointly acting as hosts at the annual affair. Also guests were the cheer leaders, coaches and teachers of both schools.

Talks were made by Emmett Robert, president of the Belle Glade Lions; Principal Frank Hobson, Coach W. H. Cook and Team Captain McDonald of the Belle Glade School; Principal D. D. Caudill, Coaches Clyde Alley, X. L. Garrison and Ralph Gress and Team Captain Frank Gillis of the Pahokee School.

Sam Berry represented the Belle Glade Lions and Rupert Mock, the Pahokee Lions, on the committee in charge of arrangements. Thadd Whidden served as the barbecue chef.

PHS Basket Tossers Win Over Boynton

After being defeated by Belle Glade three games in a row, Friday night the Pahokee Senior High basketball team came back strong to take two games from Boynton in the local gym Tuesday night.

In the Belle Glade contests the Blue Devils were the first to be humbled, losing their second game, in as many starts, to the Belle Glade girls, 16 to 13. The Blue Devil B team lost to the Rams 24 to 19, and the A team went down, 33 to 23, in the final contest.

It was a different story Tuesday night when the Blue Devils, paced by their sharp-shooting, smooth-playing center, Clark Johnston, outclassed the Boynton A team, 32 to 21. In the preliminary the Blue Devil B team also defeated the Boynton Bees, 30 to 16, with Charles Phillips and Ralph Chaney pacing the scoring with five baskets each.

Florida poultry breeders will be able to continue their search for a superior meat-type chicken as the Chicken-of-Tomorrow Contest will be continued through 1948, it was recently announced. Winners will receive \$7,000 in prizes awarded by A&P Food Stores who are sponsoring the contest.

VISITS GLADES

ED FRASER
Macclenny

State Senator Ed Fraser, Macclenny nurseryman and a candidate for state comptroller, was a visitor in the Glades yesterday. Senator Fraser has many friends in this area who were interested in his campaign, two years ago, when he was elected to the office he again seeks but was kept from serving through a technicality.

Alvin Armstrong Invents Device For Spearfishing

Alvin H. Armstrong has invented a new device called a "Gaspear" which has been accepted by leading dealers as the most attractive and efficient device of this nature on the market. The "Gaspear" is manufactured by The Facility Products Co. of Miami, who now have orders from Cuba, Brazil and other South American Countries, as well as wholesale dealers of Florida.

The "Gaspear" is being displayed by Burdine's, at the Sporting Goods Convention in New York City, also on exhibit by Miami University at the Maritime Exhibit.

The "Gaspear" is a highly effective fishing device which is designed especially for Goggle Fishermen. The "Gaspear" is equally effective from above the water. The "Gaspear" is capable of driving the 18-inch tool steel spear an inch into pine-wood or sending it 120 feet through the air, and equally as well under water.

Energy for driving power is supplied by small bottle of carbon dioxide gas, available at any drug store. The "Gaspear" complete, loaded line and snap swivel weighs only one pound and seven ounces.

One is on display at Bacon-Jones Hardware store in Pahokee.

Two Constables Qualify To Run

Constable Francis Cross and Constable Ray N. Whitlock qualified Tuesday to run for renomination in the Democratic primary. Whitlock of Belle Glade is running in District 8. Cross of Canal Point is candidate from District 7.

Howard A. Jackson Died Wednesday

Howard A. Jackson, 76, resident of Pahokee for the past seven years, died at a West Palm Beach hospital Wednesday, Jan. 28, at 11:40 a. m. He had been of ill health for several years.

Mr. Jackson, native of La Grange, Ind., came here from Lake Worth and was widely known throughout the Glades area as "Dad" Jackson, the Fuller brush man. He was a member of BPO# Lodge 1638.

Funeral arrangements will be announced by Berry's Funeral Home.

Pahokee Lions Hear Guard Commander

Col. Hartwell of West Palm Beach, commander of five units of the National Guard in Florida, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by A. J. Lively, rector of the Pahokee Episcopal Church who served as a chaplain in the Army during the war, the speaker asked the assistance of the Lions in organizing a National Guard unit in the Pahokee Canal Point area.

Rev. C. T. Howes announced that next week the Lions and Rotarians will meet jointly in the First Baptist Fellowship Hall on Friday, Feb. 6, at 12:15 p. m. to hear a talk by Mrs. Paul Moser, missionary to the Philippines and Siam, who has been assigned to speak here by the Florida Chain of Missionary Assemblies in cooperation with the local Council of Church Women.

Books Open For Glades Registration

Registration books are open in the Everglades towns. Registrar DeWitt Upthegrove has offices open in Canal Point, Pahokee, Belle Glade, Chosen, South Bay and Lake Harbor. Every person in the Glades, who wishes to take part in forthcoming elections, must register. Mr. Upthegrove pointed out.

Registration this year will be permanent. The new set-up for registration takes away all necessity of re-registering in the future so long as the voter continues to live in this section.

Bill Golden Offers Advanced Training

Bill Golden, proprietor of the Glades Aviation Company, yesterday said that his organization has been approved by C.A.A. for advanced training. All former trainees may now take up training for private pilot, commercial pilot flight instruction rating, industrial rating. Mr. Golden said. Bill has been doing an excellent job with GI training. His phone number at Belle Glade is 408—call it for particulars.

Commercial canning of fruits and vegetables in the United States has expanded since 1909 at a rate of 19 times faster than the growth in population. The American Canning Company reports.

Work Scheduled To Start Today On Conner's Hiway

State Road Department Division Engineer Watson in Fort Lauderdale today notified County Commissioner Paul Rardin that work is scheduled to start Friday morning on clearing the temporary dike off Conner's Highway and putting the road in usable condition.

Mr. Watson said that the J. D. Manly Construction Company of Leesburg had been given the job by the State Road Department. Plans call for complete clearance of the 55,000 yards of muck in the temporary dike and patching of the many holes in the pavement. The dike was built between the row of pine trees alongside the canal and the highway. Therefore the muck will have to be pushed across the highway onto the road shoulder before the road patching can be started.

A week ago Monday Commissioner Rardin appeared before the Road Board in Tampa and sought immediate work on Conner's Highway. He was promised by Chairman Bayless and State Highway Engineer DeGarmo that the work would get underway soon. Action on the road in ten days after the promise was made shows that the Road Department realizes the importance of this highway between Canal Point and Twenty Mile Bend.

At the Tampa meeting Chairman Bayless pointed out that the highway will be completely rebuilt in the future to meet the over-all plan of the U. S. Engineers in their far-reaching flood control program being mapped for the Lake Okechobee Region.

Junior Netters Regain Win Streak

The Pahokee Junior High Imps cagers got back into their early season stride the past week by making clean sweeps in games with Lake Worth and South Bay.

In the Lake Worth contest at the local gym on Thursday night of last week the Imp's first string barely nosed out the visitors, 42 to 41, with Carney Wilder's 14 points and Ronnie May's 12, pacing the Pahokee scoring and Don Stites 16 points, tops for Lake Worth. In the preliminary the Pahokee Junior Bees won 21 to 18, with Danny Hitchcock high point man, 11 points.

On Tuesday night the Pahokee Juniors traveled to South Bay where the A team won 17 to 8 and the B team finally managed to outpoint South Bay, 8 to 7, when the preliminary was extended three minutes and Melvin Tillis's free throw broke the 7 to 7 deadlock.

Return games with South Bay, both A and B teams, will be played by the Imps this Friday evening in the Pahokee gym, starting at 7 p. m.

W. R. Kaufman spent the week-end in Fort Lauderdale visiting his wife and children who are the house guests of her parents in that city.

Inflation Hits Tourists

A winter visitor has offered the opinion that if there are fewer winter visitors in Florida this year, the decrease probably is due to inflation. He reasons that a large percentage of the people who come to Florida each winter are individuals in retirement and with fixed incomes, and that for many the general increase in the cost of living has made a trip to Florida too expensive.

When we consider, also, the higher cost of traveling, by any method of transportation, the higher costs for living accommodations—rents, food, etc.—it appears that this winter visitor may have something. People who live on annuities, pensions, etc., find that their dollars won't go as far because of inflation, and as a result, there are probably thousands of elderly people who would like to come to Florida, or who customarily do come south during the winter, who are unable to make the trip this year.—Ocala Star-Banner

That Does It

In 1942 a Frenchman in New York was learning English. Finally he mastered the difference in sound between bough, cough, rough, though, through, and thorough. He was filled with glee because he knew there couldn't be a tougher obstacle in any language. But riding home from his lesson he glanced over his neighbor's shoulder and saw a theatre-story heading which stunned him. He closed his eyes, then looked again. It still read the same, and his exultation turned to despair.

The heading was: "Oklahoma pronounced success."—Readers Digest.

From where I sit... by Joe Marsh

Are You "Hobby Happy?"

Funny thing about hobbies... When Ed Carey started making a model of the "Flying Cloud," it was only to rest his eyes from reading. But now he spends every spare moment ship modelling!

Some wives might have resented a husband suddenly shutting himself in the attic every night. But not Ed's Prudence. When she found him working late, she brought him up some beer and crackers... showed a real interest in his hobby... until finally Ed had her helping with the rigging.

Wasn't long before they were working side by side on Ed's bench, sharing a common interest. Instead of keeping them apart, Ed's hobby brought them more together.

From where I sit, a husband's hobby can often be a wife's as well. In fact, I've got the missus interested in tying trout flies—and, along with that mellow glass of beer, it makes the evenings go by mighty pleasantly.

Joe Marsh

Mrs. Fraser Named Circle Chairman

Mrs. L. J. Fraser was elected chairman of the Simonson-Lair Circle, Pahokee First Methodist WSCS, at a meeting in the church Monday afternoon. Other officers elected for the coming year were Mrs. Arch Blakey, vice chairman and program chairman; Mrs. William McClenithan, secretary; Mrs. J. V. Thomas, treasurer, and Mrs. R. J. Simonson, sunshine chairman.

Named on the church floral committee for February were Mrs. L. W. Armstrong and Mrs. Susan Renfro, for Sunday, Feb. 1; Mrs. G. W. Byrd, Sr., and Mrs. R. F. Hurt, Feb. 8; Mrs. Paul Riddle and Mrs. L. J. Fraser, Feb. 15; Mrs. C. A. Major and Mrs. M. P. Holman, Feb. 22; Mrs. C. T. Howes and Mrs. J. R. York, Feb. 29.

Mrs. Blakey, who has served as chairman of the circle for the past two years, was presented with a lovely gift of glassware by the group as an expression of their appreciation of her work. Rev. C. T. Howes was a guest.

Dr. Fred Barnett To Speak At Pahokee Baptist Church Sun.

A treat is in store for all who attend the First Baptist Church of Pahokee, Sunday morning at eleven o'clock. Dr. Fred Barnett, who will be in this area Sunday and Monday under the auspices of the Pahokee-Canal Point Ministerial Association, will speak. In the humble opinion of the pastor, Rev. C. A. Moberg, this good man is worth any sacrifice one may be called upon to make in order to hear him. That he might have ample time to do justice to whatever subject he chooses to use, the regular Sunday morning preliminaries will be dispensed with. Extra chairs will be available.

Mrs. Pearl Agner has as house guests her son and daughter-in-law, Mr. and Mrs. Merle Agner and their son of Indiana.

Mr. and Mrs. George Ferguson and children plan to leave Pahokee this week to make their home in West Palm Beach.

Many Attend Palm Lake Association

The Pahokee and Canal Point Baptist Churches were well represented at the Palm-Lake Association meeting at the First Baptist Church in West Palm Beach Tuesday.

Those attending from Pahokee included Mrs. Lucy Batchelor, Mrs. G. C. Connell, Miss Carol Phillips, Mrs. L. M. Mullis, Mrs. Ralph Grimes, Mrs. C. B. Starling, Mrs. C. A. Batchelor, Mrs. Paul Watson, Mrs. T. W. Knight, Mrs. Horace Unwin, Mrs. A. C. Santo, Mrs. J. H. Wilkinson, Jr., Mrs. J. C. Mock, Mrs. F. G. Gillis, Rev. and Mrs. C. A. Moberg and their house guest, Dr. H. E. Ressler of Chicago, Ill.

Representing the Canal Point Church were Mrs. C. R. Wetherington, Sr., Mrs. A. R. Scruggs, Mrs. Charles Maxson, Mrs. Henry Brooker, Mrs. C. B. Jones, Mrs. V. J. Bagtram, Mrs. O. H. Chastain, Mrs. J. S. Chastain, Mrs. Doh Finson, Mrs. J. H. Bordeaux and Mrs. Connelly.

SHORT-CUT to Accident--

The quickest way across the street can be the most dangerous way. To cross in the middle of the block, rushing out from between parked cars, can be and too often is a short cut to accident — and death!

In Florida, 170 people were injured, 71 fatally, from these causes alone in our first peace year. In 75% of pedestrian accidents the victims were walking in such a way as to contribute to their own demise. Actually, drivers in relation to pedestrians are more careful.

Florida accident records for 1946 indicate that jaywalkers are even more plentiful and careless and are pushing the pedestrian casualty rate to a new high. Someone must do some life-saving — and that someone is *you*.

When you cross a street or highway be personally responsible for your own safety. Don't expect the other fellow to look out for you. Cross with the light if there is one — with greatest caution if there isn't. It's up to you to walk safely and live longer.

Mr. Motorist—

Shower Is Given For Miss Hamilton

The Pahokee Woman's Clubhouse was the scene Friday night of a charming social event in the form of a prenuptial shower in compliment to Miss Mary Louise Hamilton who will become the bride of Ronald C. Stanley at the Pahokee First Methodist Church on Feb. 6 at 7 p.m.

The yellow and green color scheme used in decorating the clubhouse was highlighted with gladioli in pastel shades and a yellow and green umbrella at the center of the gift table which was covered with a lace cloth.

Piano selections were played by Miss Mary Eleanor Kidder of Belle Glade and Miss Joan McLarty sang "Always," accompanied at the piano by Miss Yvonne Lee Fraser. Miss Jane Hamilton, sister of the bride-elect, was in charge of the bride's book and Miss Gwen Gant was a contest prize winner. In the receiving line with Miss Hamilton were her mother, Mrs. I. E. Hamilton and Mrs. Ralph C. Stanley. She was assisted in the opening and display of the many lovely gifts by Mrs. Roy Pope, Mrs. Ernest Maxwell and Mrs. Joe Tom Boynton. Refreshments were served by Mrs. J. T. Boynton, Mrs. J. E. Cochran, Mrs. Roy Pope, Mrs. Ernest Maxwell, Mrs. Ellsworth Keen and Mrs. J. T. Holder, hostesses.

Guests included Mrs. D. W. Young, Mrs. Homer Barnes, Mrs.

R. J. Schroder, Mrs. Albert Snyder, Mrs. E. M. Meredith, Mrs. Sam McKinstry, Sr., Mrs. John T. Pickett, Mrs. Ralph C. Stanley, Mrs. W. A. Howell, Mrs. Susan Renfro, Mrs. G. W. Byrd, Sr., Mrs. C. T. Howes, Mrs. Joe Hatton, Jr., Mrs. H. C. Graham, Mrs. Terry Sellers, the Misses Joy Padgett, Yvonne Fraser, Helen Howes, Gwen Gant, Margaret Powell, Patsy Creel, Joan McLarty, Jane Hamilton and Loretta Wilson, all of Pahokee.

Guests attending from out-of-town were Mrs. Joe Cherry, Mrs. Fritz Stein, Mrs. F. D. Stevens, Mrs. Thomas Bregger, Mrs. H. H. Wedgworth, Mrs. N. T. Taylor, Mrs. R. W. Kidder, Mrs. Lee Hayman, Mrs. Roy DeLaney, the Misses Nancy Crossman, Joanne Livingston, Mary Eleanor Kidder, Geraldine Draa, Kathleen Livingston and Nan Draa, all of Belle Glade, and Mrs. F. M. Wilson, Mrs. G. T. Echols, Mrs. Weeks, Mrs. D. L. Friend, the Misses Barbara Jenkinson, Lois Echols, Susan Connell and Shirley Connell, all of Canal Point.

Methodist Groups To Hear Barnett

The Men's Bible Class and the Victory Bible Class will have a special meeting together next Sunday Morning at which meeting Fred T. Barnett will be the speaker. These two fine classes representing the Men and Women of the First Methodist Church have been having good attendance and it is expected that at this service next Sunday there will be a capacity audience. Mr. Barnett, Executive Secretary of the United Florida Drys is no stranger to Pahokee having spoken here before. It is with pleasure we look forward to his return.

The Church announces the Sacrament of "The Holy Communion" at the Morning Worship Service with the Pastor using as his Communion Meditation "The Changeless Christ." There will be no Evening Worship Service at the church. We will join in the Mass Meeting at the Pahokee High School at 7:30 p. m. to hear Mr. Barnett speak.

FOUNDER'S DAY

The Canal Point Parent-Teacher Association will conduct its February meeting the school auditorium on Monday, Feb. 2, at 8 p. m. D. L. Friend, program chairman, will present an interesting program in which Founders Day will be observed. Mrs. D. L. Friend, president, will preside at the business.

County Welfare Plan Explained To Woman's Club

Members of the Pahokee Woman's Club were given a comprehensive picture of the welfare work being provided for in Palm Beach County, and in particular the Glades area, by the Board of County Commissioners in a talk by County Commissioner Paul Rardin at a meeting in the clubhouse Tuesday night.

He gave as total budget for welfare work in the county \$115,000 plus \$20,000 for veteran's bureau items included were general welfare work, \$48,000; hospitalization \$45,000; T. B. work, \$10,000; mother's pensions, \$9,000, and pauper burials, \$3,000.

He also reported that a three-and-a-half-million-dollar tuberculosis hospital will be erected at Lantana on 160 acres of county-owned land which has been donated to the State T. B. association. In speaking of the county hospital, he said that a \$200,000 hospital had been completed and opened this fall which provides care for 60 patients.

The county farm buildings have just recently been remodeled and repainted and the county children's home now has 45 children in its care. A county receiving home in Lake Worth takes care of babies up to 6 years until they can be placed in foster homes.

The commission has set up in the budget \$12,000 for a county health unit. The unit will include a full-time director, staff of nurses and sanitary engineers. Mr. Rardin said at his suggestion regular health clinics were established at the Belle Glade and Pahokee hospitals and at the Carver Memorial hospital in Belle Glade, a negro hospital.

The veterans in this section now have a full-time director and a secretary, the time being divided between Belle Glade and Pahokee.

At the conclusion of his talk Mr. Rardin presented the club with a check for \$40 to be used toward meeting expenses of conducting the Teenage Tavern, a recreational project for the youth of the Pahokee-Canal Point area sponsored by the club.

Also on the program Bill Bosworth, proprietor of the Florida Pictorial Service, spoke on "The Art of Photography." The speakers were introduced by Mrs. Sam McKinstry, Sr. Mrs. Thadd Whilden sang two vocal solos, accompanied at the piano by Mrs. Orin Bacon.

Mrs. Homer J. Clause, motion picture chairman, and Mrs. Orin S. Bacon, fine arts chairman, and members of their committees were in charge of the program and the serving of refreshments.

Stanley - Hamilton

The wedding of Miss Mary Louise Hamilton, daughter of Mr. and Mrs. I. E. Hamilton of Pahokee, and Ronald C. Stanley, son of Mr. and Mrs. Ralph C. Stanley, also of Pahokee, will take place at the First Methodist Church in Pahokee on Friday, Feb. 6, at 7 p. m. Rev. Carson T. Howes, pastor of the church, will officiate at the candlelight, single ring ceremony.

The bride will be given in marriage by her father. Miss Jane Hamilton will be her sister's maid of honor and only attendant. Lynn Walker will be Mr. Stanley's best man. Edward Stanley and Joe Hatton, Jr., will act as ushers. Nuptial music will be furnished by Robert O. Lampi, vocal soloist, and Miss Mary Eleanor Kidder, organist. The ceremony will be followed by a reception.

No formal invitations are being issued but all friends of the couple are invited to attend the wedding.

Bennie Baxter Has Birthday Party

Mrs. Sam McKinstry, Jr., entertained at her home Saturday with a party for her son, Bennie Baxter, who was celebrating his sixth birthday anniversary.

After seeing the show at the Prince theatre Bennie and his guests returned to his home where they enjoyed outdoor games and a wiener roast which included marshmallows, ice cream and cake.

Attending were Harry Brooks Elarbee, Danny Padgett, Morris Kennedy, Freddie Blakey, David and Judy Cunningham, John Bacon, Chee Chee Cate, Joe Alderman, Tommy, Vance and Mollie Davis, Roger Watson, Vonelle Davis, Mr. and Mrs. Perry Duke, Mr. and Mrs. Ellie Davis and Mr. and Mrs. Sam McKinstry, Jr.

SPEAKS TO BAPTISTS

"The Cause and Cure of Juvenile Delinquency" was the subject of a talk by Rev. Froman Lincome, evangelist and lecturer, at a meeting of officers and teachers of the First Baptist Sunday school in the Fellowship Hall Monday night. The speaker has been conducting a holiness conference at the Pahokee Church of the Nazarene. Following the meeting refreshments were served.

W.M.S. HOLDS MEETING

The regular Business and professional meeting of Canal Point W.M.S. was held at the church Monday Evening. The devotional was given by Mrs. Ida Brooker. The Program was in charge of Mrs. Don Pinson. Her subject was "Jesus Attitude toward women", using scripture John 14: 21-28. Mrs. Pinson resigned as 1st Vice President and Mrs. J. S. Chastain was elected to fill the office. The members planned to attend the Associational meeting in West Palm Beach Tuesday and the chain of Mission Programs in Pahokee Thursday night.

Mr. and Mrs. C. F. McQuaig, Jr. of West Palm Beach spent the weekend with his parents and other relatives in Pahokee.

Lawrence Jaudon To Be Honored By Bible Class Sunday

The largest attendance in the history of the Pahokee Men's Bible Class, excluding Easter, is expected this Sunday to do honor to Lawrence Jaudon, former president. Six years ago the class was reorganized with some six men in attendance. Obligated to meet on two benches in front of the church building because of no classroom, it was decided to rent the building now occupied by Dr. Long.

Under the leadership of Mr. Jaudon, this soon proved inadequate and the Lion's Building was rented. Thanks to the faith and enthusiasm of those interested, Fellowship Hall was constructed. Every Sunday morning at 9:45 this class with an enrollment of over a hundred meets and under the singing leadership of R. Cowart and the Class Quartet engages in a songfest most inspiring.

Last year, after five years of most acceptable service, Brother Lawrence was promoted to the office of Assistant Superintendent of the entire school. J. H. Wilkinson, Jr. is the superintendent. The Jaudons will attend Sunday for the last time as residents of Pahokee, and will reside in Wauchula as owners of the Western Auto Associate Store. In view of this, Sunday will be a time of special recognition by the class of the former president. It is hoped that every member and friend of the class will make a special effort to be present.

The regular lesson will be taught in detail by the teacher, Rev. C. A. Moberg. Brother Jaudon would have it this way for he is a lover of the Word of God. A most interesting chapter, the fifty third of Isaiah will be exposed, verse by verse. This is one of the most complete descriptions of Jesus Christ in the Old Testament. Second vice president A. C. Santo and his greeters will be at the door with a welcome for all. First vice president C. R. Wroten will lead in the contacts. Cards have been sent to all by corresponding secretary J. R. Miller. A most cordial invitation is extended to all unaffiliated men and visitors. E. Keen is the president.

March Of Dimes At Pahokee Theatre

March of Dimes collections are being taken up this week at the Prince Theatre in the interest of the annual polio drive. The collections at the theatre are sponsored annually by members of the Pahokee Woman's Club in cooperation with the theatre management.

"Cupid On Parade" Arouses Interest

Keen interest is being manifested in "Cupid on Parade" which promises to be the outstanding social event in the Glades this Season. This Pre-Lenten festival, carrying the Valentine Theme, has created a great deal of speculation on the names of the Couple selected to reign as King and Queen of Hearts.

The pre-Lenten Festival carrying Misses Margaret Williams, Evelyn Lee, Nell Thomas, Betty Alford and Ouida Hughes of Belle Glade and Miss Mary Mullis of Pahokee will serve as the Queen's maids, while Messers. "Dub" Cunningham, Howard Armstrong, Landon Daub and Joe Murphy will act as the Kings Guard. Garlands of flowers held by the maids will form an archway under which Cupid, Master R. Young Creech III, will lead the King and Queen to their throne. Entertainment at the Court of Honor will be a tap dance by talented little Miss Ross-lin Tharpe. Miss Geneva Thelen of Clewiston will sing "Sweethearts on Parade" and Ballerina Dance. Professional talent will be exhibited by Miss Jeanne Gough, ba-

lerina.

The King and Queen will descend from their throne and lead their subjects in a Grand March followed by a Paul Jones. There will be plenty of fun for young and old. Numbered hearts will be given to each person at the door. Those holding the lucky hearts will be presented with a prize.

This spectacular pageant and floor show that is being directed by Mrs. Imogene Fontaine is a prelude to the dance for which the Sugarland Orchestra will furnish the music. Clyde Clayton will be master of ceremonies. Proceeds will go to the Altar Society Building Fund.

Pahokee tickets may be obtained at Glades Equipment Co. Belle Glade tickets may be obtained at Murphy's Pharmacy or from any member of the Altar Society which is sponsoring the festival for the benefit of the Building fund.

Six thousand Junior Agriculturists, members of the Future Farmers of America, will swarm over the Florida State Fair grounds on Saturday, February 7, for a full day of activity. They will be addressed by Commissioner of Agriculture Nathan Mayo and State Superintendent of Instruction Colin English.

Mrs. P. M. Cate, Sr., former Pahokee resident, has returned to her home in Leesburg, Fla., after a visit with her daughter, Mrs. Robert Chamberlain, who was a patient at a Miami hospital.

Inman W. Weeks was a business visitor in Kissimmee on Wednesday of this week.

Mrs. Robert Chamberlain is recuperating from an operation performed recently at Victoria Hospital in Miami. She is expected to be able to return to her home, Pahokee this weekend.

Mr. and Mrs. M. P. Holman are visiting relatives and friends in Ozark, Ala., this week.

Now on display THE 1948 CHEVROLET Newer! Smarter! Finer!

Here's the one to see! Come in and see it! The new Chevrolet for 1948 brings you new smartness of design, new color harmonies, new interior luxury—an even greater measure of BIG-CAR QUALITY AT LOWEST COST. And with all its greater value, Chevrolet's the lowest-price line in its field... the only car in its price class combining such Big-Car features as Body by Fisher, Valve-in-Head Engine, Unitized Knee-Action Ride and Positive Action Hydraulic Brakes. No wonder more people drive Chevrolets—and more people want Chevrolets—than any other make, according to official nation-wide registrations and seven independent nation-wide surveys.

CHEVROLET—and ONLY Chevrolet—is FIRST!

Cinematic Chatter

By Malcolm Millar

Your show, coming to the Prince Theatre, Pahokee, Sunday-Monday, will be the first show you have seen with Van Johnson playing a real rugged part, which gives him a chance to display his fistic ability as well as his ability to make love.

That picture is "The Romance of Rosy Ridge." It gives Van a new leading lady, a girl new to the films, who is destined for a much higher spot in a very short time. She is Janet Leigh, and she really shows talent in this picture.

Thomas Mitchell, Marshall Thompson and many other well known featured players turn in excellent performances in support of the stars, which makes a picture that has, discounting the romance, Action plus Thrills plus Interest, that never lets itself down throughout the entire one hundred and twenty minutes of showing.

Yes, you're going to like "The Romance of Rosy Ridge" very much indeed. So see it at the Prince Theatre, Pahokee, Sunday-Monday.

See you at the movies—Mal.

Burton To Profit From 1936 Campaign

Wauhatchie — L. Grady Burton, unsuccessful candidate for Governor in 1936 when Fred Cone topped W. Raleigh Petteway in the runoff, learned a lot in that campaign and in his present race for Attorney General hopes to profit from that experience.

Burton has been a state attorney for 18 years, helped organize the Florida Officers Association and has been its president since 1937 and is a past district governor of Kiwanis.

Although a native of Kentucky, he has resided in Florida most of his life and has always been active in civic and political affairs. He has made several campaign swings through the state and is considered the leading contender in this race.

Other candidates for the office are Richard (Dick) Ervin of Tallahassee and P. Guy Crews of Jacksonville; Ervin, young and aggressive, is running a good race and is considered in second place.

Richard Nason of Belzoni, Miss. is a guest here of his mother, Mrs. Frank Friend, and Mr. Friend.

Mass Meeting To Hear F. T. Barnett

Everyone is cordially invited to attend the Mass Meeting at the Pahokee High School next Sunday Evening. The high school band, under the direction of R. O. Lampi will play, and the speaker will be Fred T. Barnett, Executive Secretary of the United Florida Drys. The United Florida Drys is a co-operative movement operating under the direction of the major Protestant Denominations of the State of Florida, through which they pool their efforts in teaching the harmful effects of alcohol.

Mr. Barnett, native of Florida, son of a Methodist Preacher, Author, Teacher Lecturer, writer, World Traveler, and devoted Christian layman. He knows probably more of the harmful effects of alcohol than any man in the state. He has attended the Yale Alcohol Studies and other Seminars devoted to the subject. He travels thousands of miles every year in his work of directing the dry forces of the state of Florida. This leadership resulted in ten county-wide elections over the state last year in which the drys were victorious in

eight counties. The other two voted to remain wet by a very small majority.

This Mass Meeting is sponsored by the Pahokee-Canal Point Ministerial Association with nearly all of the churches joining in the service. Come and hear this man bring his message. Mr. Barnett will also speak during the Church School hour, 9:45-11:00 a. m. in the First Methodist Church and the Church of The Nazarene and at the Morning Worship Service at the First Baptist Church of Pahokee.

ANOTHER FOOD SALE

The Auxiliary of the American Legion Post 242 held a special meeting in the Legion Hall, Tuesday evening at 8 p. m. The President Mrs. Charles Maxson presided.

Several new members were present. Arrangements were made to have another food sale on Saturday Feb. 7.

The Auxiliary voted to have two meetings each month on the 2nd and 4th Tuesdays. The latter being a combined business and social meeting.

L. C. Peeples and son of Orlando visited friends in Pahokee the past week.

Cow Owners Should See Speer

Assistant County Agent H. L. Speer said yesterday that cow owners who wish to have them tested for TB and Bang's disease should get in touch with him. Next Wednesday the county veterinarian will be in the Pahokee-Canal Point area to finish this particular phase of work before going into the Bell Glade-South Bay section.

CHURCH OF CHRIST

"LOVE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday February 1.

The Golden Text is: "If we love one another, God dwelleth in us, and his love is perfected in us" (I John 4:12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Judge me, O Lord; for I have walked in mine integrity: I have trusted also in the Lord; . . . Lord, I have loved the habitation of thy house, and the place where thine honour dwelleth" (Psalms 26:1 to 2nd; 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Our church is built on the divine Principle, Love. We can unite with this church only as we are newborn of Spirit, as we reach the Life which is Truth and the Truth which is Life by bringing forth the fruits of Love,—casting out error and healing the sick" (35:19-25).

Robert Chamberlain and daughter had as a guest the past week his mother Mrs. Catherine Chamberlain, of West Palm Beach.

3 Unions Block Labor Peace—Refuse Wage Boost Already Accepted by 19 Other Railroad Unions!

The Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen and the Switchmen's Union of North America, representing 125,000 railroad employees, have refused to accept the offer of the Railroads of a wage increase of 15 1/2 cents an hour.

This is the same increase awarded 1,000,000 non-operating employees by an arbitration board in September, 1947.

This is the same increase accepted by 175,000 conductors, trainmen and switchmen by agreement on November 14, 1947. Agreements have been made with 1,175,000 employees, represented by nineteen unions. But these three unions, representing only 125,000 men, are trying to get more. They are demanding also many new working rules not embraced in the settlement with the conductors and trainmen.

Incidentally, the Switchmen's Union of North America represents only about 7 1/2 per cent of all railroad switchmen, the other 93 1/2 per cent being represented by the Brotherhood of Railroad Trainmen and covered by the settlement with that union.

Strike Threat

The leaders of these three unions spread a strike ballot while negotiations were still in progress. This is not a secret vote but is taken by union leaders and votes are signed by the employees in the presence of union representatives.

When direct negotiations failed, the leaders of these three unions refused to join the railroads in asking the National Mediation Board to attempt to settle the dispute, but the Board took jurisdiction at the request of the carriers and has been earnestly attempting since November 24, 1947, to bring about a settlement. The Board on January 15, 1948, announced its inability to reach a mediation settlement. The leaders of the unions rejected the request of the Mediation Board to arbitrate. The railroads accepted.

What Now?

The Unions having refused to arbitrate, the Railway Labor Act provides for the appointment of a fact-finding board by the President.

The railroads feel it is due shippers, passengers, employees, stockholders, and the general public to know that throughout these negotiations and in mediation, they have not only exerted every effort to reach a fair and reasonable settlement, but they have also met every requirement of the Railway Labor Act respecting the negotiation, mediation, and arbitration of labor disputes.

It seems unthinkable that these three unions, representing less than 10 per cent of railroad

employees, and those among the highest paid, can successfully maintain the threat of a paralyzing strike against, the interest of the entire country—and against 90 per cent of their fellow employees.

The threat of a strike cannot justify granting more favorable conditions to 125,000 employees than have already been put in effect for 1,175,000, nor will it alter the opposition of the railroads to unwarranted wage increases or to changes in working rules which are not justified.

A glance at the box shows what employees represented by the Engineers and Firemen make. They are among the highest paid in the ranks of labor in the United States, if not the highest.

Compare these wages with what you make!

Here is a comparison of average annual earnings of engineers and firemen for 1939 (present) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cent per hour increase offered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.		1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings with 15 1/2 Cents per Hour Added
ENGINEERS				
Road Freight (Local and Way)	\$3,966	\$6,126	\$6,757	
Road Passenger	3,632	5,399	6,025	
Road Freight (Through)	3,147	4,684	5,169

Yard	1,962	3,136	3,553	

Railroad wages computed from Interstate Commerce Commission Statement M-300. Full year 1947 estimated on basis of actual figures for first eight months.

SOUTHEASTERN RAILROADS

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

TOO LATE TO CLASSIFY

(By Russell Kay)

They tell a story about the pelicans on the West Coast who hung around the fish houses and were fed by the fishermen. Whenever the boats came in the fishermen would throw sardines to the birds. The pelicans quit looking for their own food and simply waited to be fed. They got so fat and lazy it was even difficult for them to fly.

When the war came on and all fishing craft were ordered to stay in port because of mines and other dangers, food for the pelicans became scarce. Still the birds hung around the fish houses and screamed their heads off. The fishermen were sorry for them but there was nothing they could do about it.

One day a fisherman happened to take a trip to a barren stretch of beach where he noted a flock of pelicans diving after minnows and feeding themselves. Suddenly, he got an idea. With the aid of some friends he captured a few of these active pelicans and took them back home with him.

He realized that the pelicans the fishermen had been feeding all this time had just naturally forgotten how to take care for themselves. He figured that if he turned these active birds loose they would go to fishing and the lazy shiftless pelicans would see them getting food and start feeding themselves again. And he was right. The starving birds got the idea in no time and, while they found it difficult at first as they were out of practice, before very long they were holding their own with the other birds.

Ever since the advent of the "new deal" a lot of folks in this country and in other countries under our influence are just like those pelicans. The government with a lot of silly paternalistic ideas has undertaken to feed and clothe and care for everybody. A lot of folks found that by taking advantage of the situation they could get by without working. Whenever an attempt was made to get them to work or assume responsibility they became indignant and contended that "the government owed them a living." Shrewd politicians, concerned with votes, sided with them and screamed for larger and ever larger appropriations. People who still worked for a living were paid more and more to care for the lazy and shiftless who wouldn't work.

Then we found that in the wake of war whole countries were destitute. We took on the humanitarian job of supplying their needs feeding their people and caring for them and the burden becomes steadily heavier. Bureaucrats and politicians called for billions and billions for their relief. Acute shortages of all manner of goods developed at home because so much of our resources were being sent overseas. In these countries America was feeding and caring for millions of people, a large percentage of them who were doing nothing for themselves. They just took everything we sent and yelled for more.

Over in Germany an American farm boy who had learned how to take care of himself, had been a Future Farmer and a member of the National Junior Vegetable Growers, noted that there was plenty of good fertile soil near where he was camped but nobody was doing anything about it. The people stood in line every day to get their ration of American food or supplies and made no effort to help themselves.

This farm boy wrote to his congressman and asked for a supply of seeds. The congressman sent them and then the boy got busy. He gathered together a group of German boys and girls, told them how the boys and girls of America formed clubs and entered into competition in growing vegetables and livestock. He managed to get a few garden tools and made others of scrap materials; then he showed them how to make gardens and all his seed was planted and

the crop given loving care and attention by these German kids.

When the crop was finally harvested fresh vegetables and foodstuffs for over 100 German families. It didn't cost the taxpayers of America a penny unless you want to figure the cost of the seed the congressman sent and the soldiers pay this young farm boy G. I. received. If one American boy could figure out a way to help these people of Europe help themselves why couldn't others be helped the same way.

The story of the American boy and the vegetable garden in Germany seems to parallel the story of the West Coast pelicans. Maybe if we applied a little more practical everyday common sense in trying to solve the European problem we could do it without spending so many billions and at the same time would be giving the people of these countries a chance to regain their self respect instead of playing the role of beggars and loafers.

But such a simple solution is beyond the comprehension of the diplomats, the bureaucrats and politicians. All they know is appropriate and spend, appropriate and spend, when the real answer to the problem is "WORK and SAVE".

New Nickle Drink Made From Oranges

MIAMI—Miami will give birth to what is confidently expected to develop into a major industry in Florida when Henry Cobbs, nationally known as Florida's leading fruit gift packer and shipper, presents to the nation a new nickel non-carbonated orange drink at a formal opening of his new \$500,000 plant in Little River, Miami, January 31.

An outstanding merchandizer, Cobbs can be depended upon to rapidly develop a national market for this new orange drink which promises to be a boon to the state's citrus industry.

Cobbs is a showman as well as an able merchandizer and his new nickel orange drink will be launched with fitting ceremonies, music and razzle dazzle. State, city and county officials are expected to attend the opening of his new half million dollar plant where Mayor Robert L. Floyd of Miami will sample the first bottle off the assembly line, while the Miami Boys Drum and Bugle Corps makes with the music.

The new drink will be marketed with such catchy slogans as "Slip Some Sunshine" and "An Orange in Every Cup."

Cobbs, who has been called "The Citrus Santa," states that everyone is invited to the party and there will be free drinks and favors for every guest.

GRACE JERNIGAN CIRCLE

The Grace Jernigan Circle of the W.M.U. of the First Baptist Church of Pahokee, met in its regular session Tuesday night at 7:30. Mrs. W. A. Keen presided. The program, "The Sixtieth Anniversary of the W.M.U.," was presented under the chairmanship of Mrs. J. D. Agner. Those participating were the Mesdames Bob Douthit, Wiley Tillis, W. M. DuBose and Homer Barnes. The devotional exercise was conducted by Mrs. C. A. Moberg. The circle was honored with the presence of the W.M.U. President Mrs. Horace Unwin, whose report of the Association meetings at West Palm Beach Tuesday morning and afternoon, was received with much interest in view of the attendance of eighteen from Pahokee. Two hundred in all were present, the best quarterly meeting representation in the history of the Palm Lake Association. Mrs. Unwin received special recognition at West Palm Beach for being the only leader able to give the enrollment. Those of women of her church. The next circle meeting will be conducted in the home of tenth at 7:30. All not otherwise affiliated are most cordially invited to be present.

Joe Alderman of Pahokee is recuperating in Pratt General hospital in Miami after undergoing a gall bladder operation. His many friends will be glad to know that he is getting along nicely.

Exposition To Seek New Citrus Queen

WINTER HAVEN—The Florida Citrus Exposition Queen contest to be held on Monday night, February 16, will again be sponsored by the Winter Haven Junior Chamber of Commerce, it was announced this week by Tom Walker Jaycee President.

This will be the 24th annual citrus show to be held in Winter Haven, and the lucky girl who is selected as the Queen will be publicized nationally as the theme girl of Florida's citrus industry. She will receive a \$100 Savings Bond and many other valuable prizes.

Walker stated that he been appointed chairman of the contest which will take place on opening night of the Exposition at the new Amphitheatre on Lake Silver. The contest will be open to all Florida girls between the ages of 16 and 24. Contestants must be sponsored by civic, fraternal or business organizations.

Judges for the contest will include Ted Malone, ABC's Roving Reporter on the Westinghouse radio program, who was master of ceremonies during the Miss America Pageant at Atlantic City last September; Tom Moore, star of the Aunt Jemima "Ladies Be Seated" radio program; and Richard Thorpe, famous movie picture director from M-G-M's studios and Hollywood. Ted Malone and Tom Moore will broadcast their ABC network shows from the Amphitheatre every day during the Exposition.

Information and entry blanks for the Exposition Queen contest are being mailed out to all civic and fraternal organizations in Florida. The contest will be held on Monday night, to be followed on Tuesday night with a colorful coronation ceremony at the Amphitheatre.

State Fair Plans Big Attractions

TAMPA—Florida will observe its first Wildlife Conservation Day at the Florida State Fair, Wednesday, February 4, it was announced by State Director Ben C. Morgan of the Game and Fresh Water Fish Commission.

Officials of the Fair have given every possible assistance in arranging for the special day and the Game Commission has completed arrangements for presenting numerous special acts in front of the grandstand that will no doubt thrill thousands of spectators representing all sections of the state. Headliners in this special 60-minute grandstand show will include; Walter Willman, former world's champion distance precision and bait caster; Herd Parsons, Winchester Arms top shooting expert reputed to be the world's greatest gun handler; and Ross Allen, Florida's rattlesnake king, who will present a snake milking exhibition as part of the show.

ATTEND CLEWISTON MEET

Members of the Everglades Business and Professional Woman's Club attend a B&PWC District 7 meeting in the Clewiston Inn Sunday with the Pahokee and Belle Glade units acting jointly as hostess clubs. Representing the Everglades B&PWC on the joint hostess committee were Mrs. Tommie Lee DuBose, Mrs. Sara Thomas, Mrs. Lois Mock, Mrs. Cleo Douthit, Mrs. Edith Cross, Mrs. Hazel Chastain, Mrs. Nola Dragon, Mrs. Gerry Atkins, Miss Lucille Williams and Mrs. Alma Farrow.

A new publication, the FIND News Letter, which made its bow in Florida recently, is published by the Florida Inland Navigation District to acquaint the public with improvement work being done along the route of the Florida intracoastal waterways from Jacksonville to Miami. Copies may be secured free by addressing Press Information, 202 Exchange Bank Bldg., St. Augustine, Florida.

Pensacola Barber Has Unique Plan For Seeking Office

PENSACOLA—John O. Shows, of Pensacola, threatens to toss his hat into the Governor's race. He would run on a platform of kindness and brotherly love. He would issue pardons to any convict who would furnish a letter from his pastor recommending such a pardon. He would provide baskets of food regularly to all needy persons who came to his office with a similar letter from their pastor. Shows, a barber, has humanitarian ideas that make the "New Deal" look like a poor imitation. He claim she is lining up votes by the thousands and will outrun Fuler Warren, Shands, Watson, McCarty and the entire field on a "Help Your Neighbor Help Himself" program.

HAS GOOD RECORD

MIAMI — Apprentice Jimmy Duff—the lad who used to handle Joe Palooka in the quarter-horse dashes staged in Florida—is becoming the "pet" of fans who like to wager on the turf races at Hialeah.

Five races on the grass were run the first week of the Hialeah Meeting and Duff had a mount in three of the five. His record, in three outings, is two victories and a second. The time he was second, he was beaten only a head.

Ft. Myers College Has Plenty Rooms For G. I. Students

FT. MYERS—While lack of living accommodations is the toughest problem veterans have to face in most communities, not so in Fort Myers.

H. E. Cunningham, president of Thomas A. Edison College, Fort Myers, announces that this college now has 160 modern apartments available for student GIs. Half of them are furnished. All have ice boxes, stoves and hot water heaters and all have baths. They run in size from one bedroom to three bedrooms and rent, with all utilities included, at from \$25 to \$49 per month.

The college also has several house trailers completely furnished which rent, with utilities included, at \$15 per month. Each tenant may have space for a garden with use of the swimming pool, gym and tennis courts.

ENGLISH QUALIFIES

TALLAHASSEE—State School Supt. Colin English today qualified as a candidate for Governor by paying the required \$600 qualifying fee to the Secretary of State R. A. Gray. English had announced previously that he would begin his active campaign February 1, and in an unprecedented announcement, that he would forego all salary and traveling expense during his campaign. English's salary is \$9,000 a year and he averages about \$175 a month in traveling expenses.

WARREN CAMPAIGNING

JACKSONVILLE — Pausing briefly at his state headquarters here after attending the mid-winter conference of the Veterans of Foreign Wars at Ocala over the weekend, Fuller Warren of Jacksonville prepared for another busy week of traveling in his campaign for governor. During the Ocala meeting, Warren renewed his acquaintance with scores of old school mates at the University of Florida and with many former Navy buddies.

Warren, a two-time member of the legislature and a former Jacksonville city councilman, has not yet opened his formal speaking tour. However, he found time last week to make two speeches before large audiences in widely separated sections of the state.

Browning Roach, former Pahokee resident, was recently appointed employment manager of the Aluminum Company of America at the Alcoa, Tenn. plant according to word received here by his wife's mother, Mrs. J. R. York.

Citrus Industry Gets Publicity Boost

WINTER HAVEN—The combination of Florida youngsters and citrus presents a good national pictorial promotion for the citrus industry this month with a cover picture and a food and fashion photo layout in the February issue of Parents' Magazine which comes out on January 29.

This is one of the first national fashion promotions in which Florida is featured exclusively. Lovely 4-year-old Carol Ann Conlon of Miami, who won the Little Miss Florida picture contest conducted by the Florida Citrus Commission in cooperation with Parents' Magazine last September, will be featured on the front cover of the February issue of this national publication.

The cover picture will be one that was made of Little Miss Florida at Cypress Gardens by Miss Helen Dahlgren of Winter Haven, one of Florida's foremost fashion photographers. In the picture Little Miss Florida is holding an orange and wearing a cute little party dress made of a new Citrus Print fashion of Ameritex cotton, which was designed especially for her.

On the inside of the magazine is a five-page story and picture layout showing Little Miss Florida and other models wearing a new line of play clothes made of the Citrus Print. Arrangements for this national publicity tie-in with Florida citrus were made by representatives of the Florida Citrus Commission's New York publicity agency.

Phil Lucey, general manager of the Florida Citrus Exposition in Winter Haven, has completed arrangements for this new line of clothes to be modeled in a Citrus Print Fashion Show by Little Miss Florida and other models on Thursday, February 19, at 7:30 p. m. on the stage of the new amphitheatre at the Exposition Grounds.

Personal

Brooke Oertel, of Akron, Ohio, formerly development engineer for Ford Motor and Co., spent Monday and Tuesday of last week in Canal Point visiting the Canal Point Sport Shop. Mr. Oertel, who plans to manufacture his own tackle, tried out several of his lures while here which proved very satisfactory. Mr. Oertel is interested in locating in this vicinity.

H. J. Anderson spent Monday and Tuesday in Miami for a physical checkup and medical treatment at a hospital there.

Mr. and Mrs. T. B. Burks, who have been the house guests of his brother-in-law and sister, Mr. and Mrs. Claude L. Shirley, in Pahokee, left Tuesday for a visit with relatives in Melbourne before returning to their home in Griffin, Ga.

Mr. and Mrs. E. O. Miller had as guests the past week her sister, Miss Montaine Ramage, of Chester, Ga.

Mr. and Mrs. A. C. Libhart spent Monday in West Palm Beach where Mr. Libhart underwent special examination and treatment for his left arm and shoulder, injured by a severe electrical shock last week.

Mrs. Babs Sganga and baby went to Gainesville last Wednesday where Mrs. Sganga will enter the University next semester. Mr. and Mrs. Frank O'Connell accompanied their daughter to Gainesville.

The following ladies attended the W.M.S. Association meeting in West Palm Beach, Tuesday: Mrs. Ida Brooker, Mrs. C. B. Jones, Mrs. A. R. Scruggs, Mrs. Chas. Maxson, Mrs. V. J. Bertram, Mrs. J. H. Bordeaux, Mrs. O. H. Chastain, Mrs. J. S. Chastain, Mrs. Connolly, Mrs. Don Pinson and Mrs. C. R. Wetherington.

Mr. and Mrs. M. I. Keen and son have returned from a visit with his mother, Mrs. U. S. Keen, in Abbeville, Ga.

Mission Assembly Talk Next Friday

The second and last in the series of Chain of Mission Assemblies speakers will be Mrs. Paul Moser who will speak at the First Methodist Church, Thursday, February 5th, at 7:45 p. m. She will also speak at a joint meeting of the Rotary and Lions Clubs of the Pahokee-Canal Point on Friday at 12:15, February 6th. This joint club meeting will be in the Baptist Fellowship Hall.

Rev. C. A. Moberg will preside at the meeting at the First Methodist Church and Rev. C. T. Howes will preside at the joint club meeting in the Fellowship Hall. These Chain of Missions speakers are being brought to the Glades Area through the co-operation of the Canal Point-Pahokee Council of Church Women and the Ministerial Association.

Mrs. Paul Moser has recently returned from a globe circling tour as a member of the Deputation sent by the Presbyterian Board of Foreign Missions to study post-war conditions in the Philippines and Siam, and to help lay the groundwork for evangelical advance through restoration, rehabilitation and expansion.

Traveling 20,000 miles from San Francisco to New York, in 104 hours flying time on four major air lines, every possible hour was saved for the study the deputation was sent out to make. They met their schedule exactly as planned.

MRS. CHASTAIN CHOSEN

Mrs. J. S. Chastain was elected first vice president of the Canal Point Baptist Woman's Missionary Union at a meeting in the church Monday night. She succeeds Mrs. Don Pinson who is leaving with her family soon for Knoxville, Tenn., and handing in her resignation. A program observed the sixtieth anniversary of WMU was presented at the meeting.

Mrs. A. R. Harrington Speaks To Guild

Mrs. A. Roswell Harrington of Canal Point, vice president of the newly organized Council of Church Women of the Pahokee-Canal Point area, was guest speaker at a meeting of St. Martha's Guild, Episcopal Church of the Holy Nativity, at the home of Mrs. R. G. Johnson on Bacon Point Road Monday night. The speaker explained the purpose and aims of the CCW and urged all members of the guild to join in the work of the council.

The group made plans for conducting a benefit rummage sale on Jan. 31, with Mrs. J. T. Lowry in charge and a benefit bake sale in front of the Bacon-Jones Hardware Store on Saturday, Feb. 7 starting at 10 a. m. with Mrs. P. M. Cate, Jr., in charge of arrangements. Mrs. Norman Kennedy presided at the business. At the conclusion of the meeting refreshments were served by Mrs. Johnson.

Auxiliaries Plan Joint Meeting

At a meeting of the Legion Auxiliary of Post 90 at the home of Mrs. Kenneth Mock Monday night the group voted to hold regular meetings on the second Tuesday night of each month.

Plans were made to join the Auxiliary of Canal Point Post 242 in the entertainment of Mrs. DeParlier, district president, when she pays her official visit here on Feb. 28. Auxiliary members of the Belle Glade Legion Post will be invited guests. It was announced that the Auxiliaries of Posts 90 and 242 will meet jointly at the home of Mrs. Morris Carlton on Feb. 10 to complete plans for the district president's visit.

Blair Announces Special Program For C. P. Methodists

One of the finest days of fellowship in years is planned for the members and friends of the Canal Point Methodist Church on Sunday. Dr. Henry W. Blackburn, Superintendent of the Miami District of the Methodist Church, will preach during the Morning Worship Service at 11 a. m. The Sacrament of Baptism will be observed at that time also. No stranger to the residents of this area, Dr. Blackburn will bring another of the stirring and inspiring sermons that have worked deeply into the hearts of those who have heard him.

In the Sunday School hour we hope to break all of our old attendance records once again. Week by week our Sunday School has held its record-setting pace, with the result that our attendance now averages just about 50 percent higher than former years.

The Morning Service will be followed by Dinner-on-the-grounds. Each family is invited to bring its Sunday Dinner to the church to be shared by all. The necessary utensils should also be brought for the family use. The Woman's Society will furnish coffee. In this way, no one group will be overworked by the occasion and all can share in the fellowship of such an hour.

After the Dinner Hour, a Service of Dedication of the new Sunday School Building will be held, a service in which Bros. Blackburn and Blair and the congregation will take part. This building, now nearly completed, stands as a testimonial to the stewardship of time, service, and money of our church family and friends. Starting with only a burning desire to make adequate space for our children and without even enough money on hand to buy the necessary materials, the man and women pitched in and built, through months of hard labor, the fine building that is to be dedicated, erecting a fine concrete structure for the cost of a temporary wooden building.

Following the dedication service, Bro. Blackburn will preside at the annual Fourth Quarterly Conference of the church.

In the evening, our church will join in the Interchurch Rally at the Pahokee High School auditorium. At the January meeting of the Ministerial Association each pastor pledged the full support of his church, cancelling evening meetings so that all might share in the message of Dr. Fred Barnett. We are only too glad to be able to join with the other churches of the Pahokee-Canal Point area in making this Rally one that will live in our memories for years to come. The High School Band, under the direction of Robert O. Lampl, will add to the meeting by the rendition of several numbers.

The M.Y.F. will go to Lake Harbor for the February meeting of the Glades Sub-District on Tuesday, Feb. 3. We shall leave the church at 6:30 sharp!

Eleven of our young people attended the Miami District Youth Rally at Trinity Church, Miami, last Sunday night. Mr. and Mrs. Delmar L. Hooks each drove a group of the young people in cars loaned for the occasion by Bill Johnson and Frank Wilson.

Because of a conflict in engagements, Choir Practice under the direction of Mrs. L. Maxson, will return to its Wednesday night meetings at 7:30.

"FINANCING THE KINGDOM"

A mission study program was presented by Mrs. W. H. Kemp, program chairman, at a meeting of the Lucy Jones Circle, First Baptist WMU, at the home of Mrs. Lennie Baxter Wednesday afternoon. The topic was "Financing the Kingdom." Mrs. J. H. Wilkinson, Jr., led the devotionals. Others taking part were Mrs. C. R. Wetherington, Jr., Mrs. Paul Tillery and Mrs. Vinson Henderson. Refreshments were served by Mrs. Baxter to 16.

Lester Hatton, University of Louisiana student, New Orleans, is visiting his parents, Mr. and Mrs. Joe Hatton, Sr., in Pahokee this week.

Dr. and Mrs. L. W. Armstrong spent Monday and Tuesday in Miami visiting their son and daughter-in-law, Mr. and Mrs. Alvin Armstrong.

Telephone Folks really did a job in '47

In spite of the continued scarcity of materials and equipment and in the face of rising costs all along the line, Southern Bell went right ahead in 1947 improving and expanding your telephone service. It was a year of humming activity as telephone folks went all out to bring you better telephone service.

There's still a tremendous job to be done. More buildings and vast quantities of equipment are needed to further improve and expand the service. If telephone earnings are such as will attract the necessary new capital to pay for continued construction, you can look forward to further progress in meeting your telephone needs in '48.

1947

ACHIEVEMENTS

2,411,000 More local calls handled each day—bringing the average daily total to 18,820,000.

More than 8 out of 10 long distance calls were completed while the customer held the line.

590,800 New telephones installed.

29,000 Telephones installed in rural areas.

Completion of \$125,000,000 of new construction to improve and expand telephone service.

Returns on REAL ESTATE, TANGIBLE AND INTANGIBLE PERSONAL PROPERTY should be filed at this time. I respectfully urge all taxpayers to meet me at the various appointments and make their returns. I shall be glad to discuss any tax problems which you may have and help you in any way possible.

If for any reason you cannot meet me at these appointed places, the Tax Assessor's Office in the County Court House will be open for the purpose of receiving returns until the first of April. After that date no returns can be filed, nor can a homestead exemption application be accepted. I shall be glad to mail the necessary blanks to anyone upon request.
